

URBANA BASKETBALL ASSOCIATION USE OF FACILITIES RULES

In order for the Urbana Basketball Association to continue to use our facilities for practices and games the following guidelines must be followed. Please remember that our use of a school, recreation center, or other facility is required for practices and games and we should show the utmost respect for its facilities and staff.

- At no time may any doors to the facility be propped open by parents, players or coaches. This includes the entry doors, doors to the gym, etc.
- **Only enter the gym through the door designated by the school, recreation center or other facility as determined by that facility!** DO NOT KNOCK OR BANG ON THE DOORS! DO NOT try to enter a facility at any other location!
- **Siblings or other visitors to the practice or game must remain in the gym unless they are using a restroom that is outside the gym.** Unattended children are not permitted to wander the halls, play or bounce balls in the hallways for obvious reasons. Entering any other part of the school or facility is strictly prohibited.
- Use only restrooms designated by each facility. **All children must be accompanied by an adult when using the restrooms.** Please encourage your child to use the restroom prior to arriving to the gym for their game or practice.
- Siblings must also remain with a responsible adult during practice and games. Games, toys or balls(that are not for team use) are not permitted as they may present a safety hazard or distraction to the coaches and players or could damage facility property.
- No outside sports drinks or food may be brought into any facility/gym. Please make sure your child is well hydrated prior to their game or practice. You may bring a water bottle to the facility for your participant to use but remember that water fountains are available in most gymnasiums for our use.
- Entering storage closets, tampering with facility lights, doors, fans, whiteboards, equipment is strictly prohibited.
- **The team(s) who practice/play in any facility or gym are responsible for picking up any trash or debris and assisting with that specific facility’s policies for use.**
